International Scientific and Practical Conference

"TRANSFORMATIONS OF PERSONALITY,
SOCIETY AND THE LABOR MARKET:
FUTURE CHALLENGES AND IMPACT ON
EDUCATION"

20–22 September 2023

We are thrilled to invite you to attend, participate in and contribute to the International Scientific and Practical Conference entitled "**Transformations of Personality, Society and the Labor Market: Future Challenges and Impact on Education**". The conference is organized within the framework of CBHE Erasmus+ KA2 [DEFEP](#) project "Distance Education for Future: best EU practices in response to the requests of modern higher education seekers and labor market" with the support of the Council of Young Scientists under the Ministry of Education and Science of Ukraine and the All-Ukrainian Public Organization "Innovative University".

The Conference will be held in a **HYBRID format** (physical and virtual attendance both accepted) through Zoom. It will take place in Kharkiv, Ukraine on 20–22 September 2023 hosted by [V.N. Karazin Kharkiv National University](#).

The conference aims to join efforts of educators and scientists, representatives of business, state, and civil society of Ukraine, Moldova, and the EU countries in order to summarize their experience and determine prospects for the further development of the education system in the context of current and future challenges.

The conference will be organised in six sections:

- ✓ Digitalization of Modern World: Challenges of the Future.
- ✓ Modernization of the Economy, Business and Finance: Intellectual and Innovative Context.
- ✓ Socio-political Aspects of Transformations in the Globalized World.
- ✓ Transformations of the Individual and Society: Context of History, Philosophy, Humanities and Cultural Studies.
- ✓ Transformations of Personality and Society: Psychological Aspects.
- ✓ Vectors for Innovation in Education in the National and Global Context.

The conference will also include the **round table "Business and Education: Interaction and Partnership in the Conditions of Today's Challenges"** with the representatives of employers. The aim of this session is to exchange their vision of the current labor market demands, explore ways to improve the quality of training for future specialists and develop educational technologies in the conditions of new challenges and labor market requirements. The Conference Organizing Committee will prepare the summary of the round table, which will be included in the Report of the Conference, along with the summary of the plenary meeting.

Conference working languages: English, Ukrainian, Romanian, German, Spanish and Italian. Presentations at the plenary session will be in English. At the breakout sessions, the speakers can use their mother tongue but they are kindly asked to provide the main points of their presentations on the slides in English.

- ✓ The plenary session will be live streamed through the DEFEP YouTube channel and Facebook.

Following the conference,

- ✓ all the presentations will be uploaded on the DEFEP project website;
- ✓ all the accepted papers will be published in the open access Conference Proceedings with ISBN number on the DEFEP project website;
- ✓ all the participants will receive an electronic Certificate of Attendance by email in PDF format.

PARTICIPATION IN THE CONFERENCE IS FREE OF CHARGE
